LEGAMI
MILANO

Squeezies

When the pressure starts to get to you, fight back with the Pencil with Squishy - **Squeezies** - from Legami. It's not just for writing with: you can also relieve stress thanks to the mini animal topper. Choose your favourite character as your squishy sidekick for homework, notes and doodling.

Bear sweet bear

Some bears sharpen their claws, others sharpen... pencils! Legami's **Sharpener with Container - Bear Sweet Bear** sharpens perfectly and collects shavings without making a mess. All while staying irresistibly cute.

Bear sweet bear

This little bear may look sweet, but it's ruthless with mistakes! Legami's **Retractable Eraser - Bear Sweet Bear** erases precisely and, thanks to its retractable mechanism, stays clean and protected at all times. To err is human, to fix it... very bear-like!

Bear sweet bear

Millimetre precision, unlimited sweetness! Legami's **Ruler - Bear Sweet Bear** is here to keep your ideas in line. Perfect lines and an irresistible design: because even geometry deserves a little sweetness.

OTHER INFO

- Material: plastic

Bear sweet bear

Sometimes you just need to cut something out. The little bear on Legami's **Mini Scissors - Bear Sweet Bear** knows all about that: small, compact and always ready to use. Perfect for cutting, trimming and dreaming big... even in a mini format!

OTHER INFO

- Material: plastic, metal

Wonder-wow

More space for ideas, less for mess! Legami's **Wonder Wow** Pencil Case - Bear Sweet Bear keeps everything perfectly organised thanks to its two compartments, pen holder insert and internal mesh pocket with zip. When everything is in its place, creativity has room to shine too.

OTHER INFO

- Material: PET, PU, EVA, polyester

Feelin' Glued

Ready to go? With the Glue Stick - **Feelin' Glued** – Space by Legami, a surprising journey awaits you. Water-based, designed for school and perfect for children who want to glue safely and joyfully.

OTHER INFO

- PVC cap

Meow

Need a hand picking out the most important parts to highlight? We can offer you a paw: the **Meow Highlighter** - from Legami is a marker in the shape of a cat's paw that you can use to make colourful additions to your books and notes. The rounded chisel tip is just purr-fect for drawing clean lines or highlighting in style.

OTHER INFO

- 5 mm chisel tip
- Water-based
- Quick drying

Meow

Would you like your books and notebooks to burst with color? High five! The Set of 6 Dual-Tip Pastel and **Neon Meow Highlighters** by Legami will leap cat-like to highlight the most important info and purr on every page of your notes. And forget nine lives – with dual tips, you get 12 pastel and neon colors

OTHER INFO

- Water-based ink
- Dual chisel tip
- Product size: L 1.3 x H 13.5 x W 1 cm

Teddy's Superpower

Do you need help keeping track of your most important notes? Never fear: your super-colourful superheroes are here! The Set of 6 Mini Highlighters - **Teddy's Superpower** from Legami is a team of six masked teddy bears in six different metallic colours, with the power to make your every mission, at school or work, a success!

Meow

Erase the errors, keep the cuteness: the five **Stackable Erasers – Meow** from Legami are colourful and scented, lined up together in a practical stick pen. And when one is all used up? There's always another waiting for you in the paw-shaped eraser holder.

OTHER INFO

- Material: TPR eraser, PS eraser holder

Keep in mind

Why drive yourself crazy trying to remember everything, when you can simply remember to buy Legami's Adhesive Pagemarkers - **Keep in Mind** - and leave the rest up to them? This set of 80 colourful, writeable and removable paper labels has been designed so you can make notes and stick them directly to your books and notebooks, where you can't miss them!

Meow

Getting everything to square up starts with making a perfect circle! Be quick on the draw thanks to the **Compass with Mechanical Pencil – Meow** from Legami. Ideal for drawing lines thanks to the mechanical pencil that's always ready for use. Thanks to its adjustable structure, you can easily set the radius of your circle and work with precision at school or at home.

SELLING POINTS

- Ten 0.5 mm 2B leads included

OTHER INFO

- Material: plastic, metal

Fold & Order

There are two types of people: those who already love to keep things organised, and those who will just as soon as they discover the Document Folder - **Fold & Order** - from Legami. Inside: your most important documents; outside: your style on full display. Made from plastic and in A4 format, it's lightweight yet sturdy, making it ideal for getting you through days packed with lessons, meetings and engagements. The popper closure guarantees that everything will stay right in its proper place.

OTHER INFO

- Material: PP

My Name is...

Do you secretly give all your pens, pencils and other writing materials their own names? No need to keep them secret any more, thanks to the Adhesive Labels with Protective Film - **My Name Is...** - from Legami. Put a name on every item with these colourful, customisable adhesive labels.

OTHER INFO

- Non-removable
- Assorted styles

Snack & Go

The best part of the school day? When the bell rings. And it's even better if you've got the Snack Box - **Snack & Go** - from Legami waiting in your school bag. It's the perfect container for children in elementary school and middle school... or even for grown-ups who still look forward to snack time! With a removable divider to keep everything wonderfully organised and a super-convenient clip closure. It's also dishwasher-safe, so it can be ready to take a break with you each and every day.

OTHER INFO

- Material: PP, PS, silicone

Hot & Cold BFF

Everything is better when you do it with your friends. Even remembering to drink water! This is exactly the purpose of Legami's Kids' Vacuum Bottle - **Hot&Cold BFF** - a reusable vacuum bottle for little ones, to make every sip more colourful and tasty! With its hermetic seal and lightweight and sturdy stainless steel composition, it keeps hot beverages warm up to 12 hours, and cold beverages cold for up to 24 hours!

OTHER INFO

- Material: double-layer 18/8 stainless steel, removable silicone handle
